Dear Mr. Weisberg:

This is in reply to your letter of September 21, 1968.

To the best of our knowledge the only documents among records of the Warren Commission mentioning Newton Armstrong, Junior and Senior, are CD 7, page 108, and CD 301, page 13.

We are preparing for you a copy of page 13 of CD 301, relating to Newton Armstrong, Sr. It is our impression that the death of Newton Armstrong, Jr., does not eliminate the reason for withholding page 108 of CD 7. You can request the Federal Bureau of Investigation to review this page if you wish to do so, however. Pages 694-777 of CD 7 are withheld collectively under Guidelines 3A, 3B, and 3C.

Sincerely,
